With proof of current membership, CRA (Canadian Rental Association) members can now purchase a new vehicle from any Chrysler, Dodge, Jeep, Ram, Fiat dealer in Canada with substantial discounts.

The CRA has been assigned its own Fleet Account Number (FAN), **N5614**, available to members only. This is a great opportunity for active CRA members to save considerable dollars on the purchase of new Chrysler, Dodge, Jeep, Ram and Fiat vehicles.

Members are to ask for the **Fleet Manager** at your local Chrysler dealership and be sure to identify yourself as a CRA member. You should then notify the Fleet Manager that you wish to purchase a new vehicle using the CRA Fleet Discount.

For further information on Chrysler, Dodge, Ram, Jeep, & Fiat vehicles or to locate a local dealer please visit [fleet.fcacanada.ca](http://fleet.fcacanada.ca).
