## THIS BUSINESS PROTECTS ITS CUSTOMERS AGAINST COVID-19! **HELP US.**

### Please wash your hands !

Do you think you wash them often enough? Wash them again and take the time to do it right. Adequate washing takes 20 to 30 seconds.

### Cough in your elbow

To avoid transmission of the virus, please avoid coughing on our employees or other customers. Use your elbow or a handkerchief.

### Avoid unnecessary contact

Avoid hand shaking, hugs, or other unnecessary contact. We are social beings but please avoid demonstrating it for the moment.

### Disinfect our merchandise!

Take the time to disinfect our products before bringing them back. We make this small gesture ourselves before handing it to you. Please return the favor!

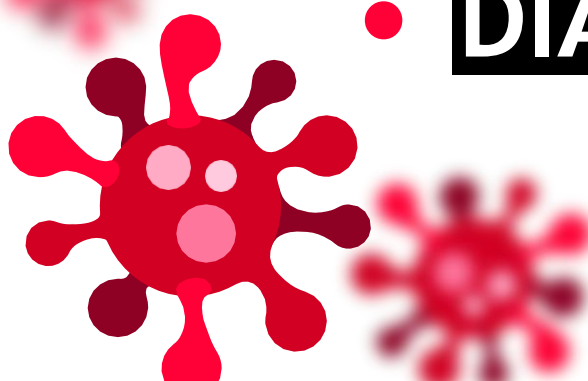

### Do you have symptoms ?

Fever, Cough, Breathing Difficulties, Abnormal Aches.
